

ABOUT SUE

Sue Mallender is a **former teacher at Lady Bay Primary school** and now works for Museums & Galleries at Wollaton Hall for Nottingham City Council. She is also a Unison Steward.

Sue is **secretary of the Lady Bay Community Association** and a **founder member of FIELDS**.

Sue was Mayor of Rushcliffe for two years during the Covid-19 pandemic, representing the whole borough at civic events.

ABOUT RICHARD

Richard Mallender works for the **Energy Saving Trust**, helping to address Climate Change. He previously worked in IT, for the **British Red Cross**, and more recently in **Transport Strategy** at Nottingham City Council.

He is an active member of the community and **Chair of the West Bridgford Local Area Forum**.

RUSHCLIFFEGREENS.ORG.UK

“As your councillors we listen and act on your concerns and put the people of Lady Bay first. As Green councillors we’re not told how to vote on local issues by our party, so we’re truly free to fight for your interests. Please vote Green to re-elect us to represent you on Rushcliffe Borough Council.”

Richard and Sue

REMEMBER YOU HAVE TWO VOTES

You have two votes in this election. Please vote for **BOTH Richard and Sue** to ensure they can continue as your local Councillors.

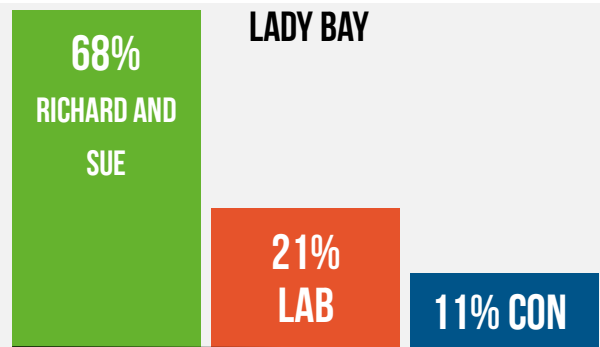

Sue Mallender

Richard Mallender

KEEP LADY BAY GREEN RE-ELECT RICHARD AND SUE

RUSHCLIFFE BOROUGH COUNCIL ELECTION RESULTS (2019)

Action on Climate Change – thanks to action by Sue & Richard, **Rushcliffe Borough Council will become carbon neutral by 2030**. The council is committed to deliver carbon reductions across the whole borough. **We will push to extend help for all borough residents to become carbon neutral too.**

Address the Cost of Living Crisis – Greens work for fairer funding for local councils, fair pay for their employees and to keep services in-house to better meet the needs of local people.

Supporting our communities – Decision making should be kept close to local communities. Residents need a real say on developments, and the council needs stronger enforcement where rules are broken.

Please vote Green to re-elect Richard and Sue for continued year round hard work and as a strong voice for Lady Bay on Rushcliffe Council.

VOTE

**RICHARD AND SUE
MALLENDER**

FOR LADY BAY

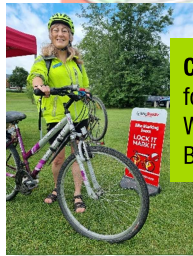

COUNCIL ELECTION, 4 MAY

**LET'S BUILD A BETTER FUTURE
FOR THE COMMON GOOD**

WORKING FOR YOU IN LADY BAY

RICHARD AND SUE MALLENDER

ALL YEAR ROUND

Cycle Safety – Campaigning for improved cycle safety in West Bridgford, on Trent Bridge and Lady Bay Bridge.

Working with the school and community on the **Plastic Free Lady Bay** project.

Help with regular litter pick and clean ups in problem areas, pushing for better recycling & new bins

Tackling dozens of individual problems for residents & **working on local issues** all year round.

Maintaining **good links with our local police** to combat crime and getting advice out to residents and groups.

Protect & Improve our green spaces – we are active members of **Friends of Bridgford Park**

Supporting local shops and promoting the **Green Rewards** scheme

Working with the **West Bridgford Canal Group** to protect this valued waterway.

Helping residents We are active members of the Central West Bridgford Community Association, covering the area south of Radcliffe Road.

Road Repairs – We will press the county council to deliver on promises to **repair our roads** and pavements, **making them safer** for bikes, cars and pedestrians.

Child Safety – Had the 20 mph zone made mandatory, with new signs & extended beyond Lady Bay.

Active members of **Friends of the Hook**, helping maintain this local nature reserve.

Working with **FIELDS** campaign group to **protect the green belt** to the east of Lady Bay and **secure access to footpaths** across nearby fields.

Promoting wildlife friendly neighbourhoods to increase biodiversity

Sue and Richard work with people in all parts of Lady Bay ward and are active members of both the Lady Bay and the Central West Bridgford Community Associations.

Sue is working for sustainable development in Rushcliffe, pushing for new homes to be affordable, warm and energy efficient. **Richard ensures Lady Bay has a voice** on the West Bridgford Growth Board, to grow local jobs, improving public areas and pedestrian safety.

“We have delivered a ban on single use plastics by the council & are working on increasing the types and amount of materials than can be recycled, such as kerbside glass collection. We got the council to adopt a borough-wide tree planting scheme for the benefit of wildlife and people’s health & wellbeing.”

Only by keeping Green voices on the council can we continue to deliver for you and for Lady Bay.
